Subject: Installation of Rectifier

Dear John:

The team to install the rectifier at the using location will be drawn from the following individuals:

STATINTL

to
CIA/PIC
Date 1 Nov 60 (approx)

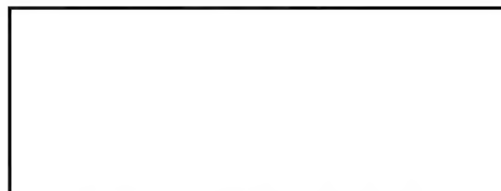

All of these people have currently active Defense Department clearances at the level of SECRET.

Please advise me if any action is required on our part to secure authorizations for these people to be admitted to the installation facility.

Very truly yours,

STATINTL
